MAROON

Our School

Our Heritage

OUR HERITAGE: a philosophy of education which equips us to meet the problems of the world and to build those inner resources of character which are the main strength of the American people.

OUR HERITAGE: a beautiful building, with long, picturesque halls and rooms filled with the best of educational equipment.

OUR HERITAGE: a staff of instructors who offer to us friendly guidance in our efforts to grow up, both educationally and spiritually.

OUR HERITAGE: that spirit, that quality of friendship which we felt immediately upon entering Hirsch, and which will always be a part of us. It is still here for you, the Juniors, Sophomores, and Freshmen, to treasure — Our Heritage, Your Heritage!

A STATEMENT OF PHILOSOPHY AS WE LIVE IT DAY BY

Education serves all people
in a democracy.

Education develops high
democratic ideals.

Education changes behavior.

Education deals with all as-
pects of life.

OF THE CHICAGO PUBLIC SCHOOLS

DAY HERE AT HIRSCH

Education functions through many agencies.

Education continues throughout life.

Education aims at self-direction.

Education provides for intelligent adjustment to social change.

A STATEMENT . . .

from Our Principal

"Our Heritage" is a term to plumb the deepest wells of mind, heart, and spirit! In the American tradition it means a happy compromise between individual freedom and "love thy neighbor as thyself;" . . . a concept that gives growth to laws and provides conditions for man's betterment; . . . a philosophy of life that fosters education, freedom of worship, and physical comforts, with a good margin for individual progress. These benefits make for personal integrity, . . . yes, demand personal integrity, so necessary to fulfill the obligations that go with good citizenship. To be worthy heirs is no light task but one requiring life-time dedication of self and of conscience.

Hirsch holds the treasures of "Our Heritage" as dear as the flame of life. These treasures warm the heart, strengthen the spirit, and steady the conscience!

Marie A. McCahey
Principal

Our principal — always gracious, always ready to meet any problem with a friendly smile and a ready solution. Through her guidance and understanding, we have come to know and appreciate the philosophy on which Our Heritage was founded. Because we prize so highly this endowment of freedom, possible only in America, we dedicate this, our 1951 *Maroon*, to Miss Marie A. McCahey and our other friends at Hirsch who have played such an important part in the molding and maintaining of our Heritage.

MISS MARGARET M. HURNEY

Our Assistant Principal

Hers is the smiling face and firm guiding hand we all know so well. Directly or indirectly, her understanding and wise judgment affect and guide each and every one of us. The kindness and ever-friendly greeting that are hers will long linger in our memory as an integral part of Our Heritage.

Mrs. M. Lott and Mrs. D. Denby — these two have a most important job, that of keeping Hirschites well informed. Their library is a storehouse of up-to-date information and their cheerful assistance is always available to every student.

The Lunchroom Staff, concerned with satisfying Hirsch's appetite — a tall order.

"Mac" MacDonald — that familiar figure of the engineering staff, always ready to meet our needs.

Mr. May — our talented toast-master. Thanks for your enthusiastic work in the Dads' Club activities.

Sheriff Babb — (acclaimed by the local femmes as Hirsch's "Heart-throb") — friendly as well as capable.

Mrs. Robinson, our Matron — concerned with our health and happiness.

Point 6

Education Continues Throughout Life

Hirsch, a Preparation for the Future

Now, let us glance into the after-school lives of some of our students. Their part time positions, in addition to their class-work, are true evidence of their receiving a well-rounded education. Their lives at Hirsch are a preparation for earning not only the pocket money of today but also the "bread and butter" of tomorrow.

That first cooking lesson — a home-maker is born.

Science — the means of advancing our civilization.

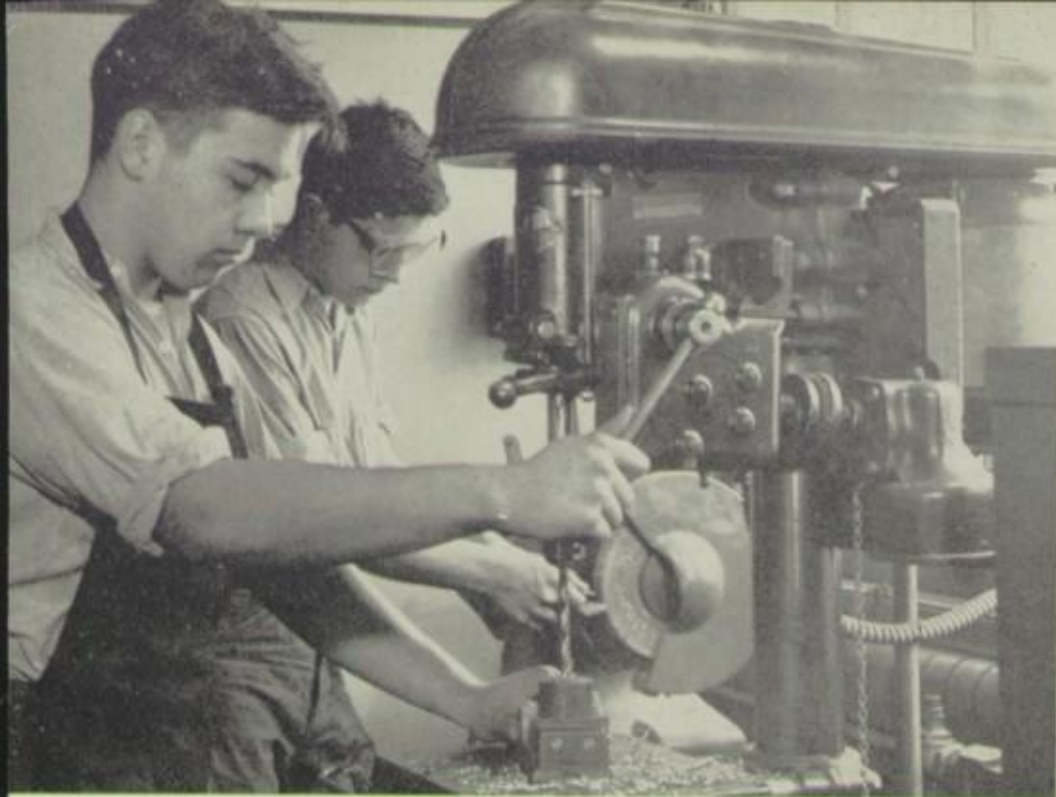

The study of living things — a miracle in itself.

In the shop . . . in the kitchen . . . in the lab . . . in the office . . . every where we are learning to help ourselves to reach our goals in life.

Mechanical drawing — of value to girls as well as boys.

Learning to use one's hands to keep the machines of America running.

The popular vote — the means by which we express our views. (Sometimes we even catch the candidate napping.)

Our Heritage endows us with the privilege to guide our own efforts in the paths we wish to follow.

The mysteries of office routine are unfolded.

The transmission of ideas through self expression in art — a valuable tool towards world understanding.

Carole Gregg, Vice-President; Dorothy Morgan, Secretary; Sidney Kaz, Treasurer; Robert Simmons, President; Elizabeth Berkenstock, Social Chairman.

As we step upon the stage on the night of graduation, our thoughts will probably wander back to our last important high school years. Happy incidents will crowd our memories — the victorious football seasons, the unforgettable Clubs, the truly inspiring Christmas spirit at Hirsch, Casey's, crowded lockers, our teachers, our division, the noise in the halls at passing time, the tense moment before exams, not to mention that magic night of June 8 at the Edgewood Valley Country Club, our class breakfast, and now — Graduation.

But most of all, we will remember Senior division, where Bob Simmons helped wield the gavel with the aid of Vice-President Carol Gregg, Secretary Dorothy Morgan, Treasurer Sid Kaz, and Social Chairman Liz Berkenstock.

When we graduate, we will find ourselves beginning a new life with new hopes and aspects, but we will never forget the fun, friends, and problems of our own high school days.

The end of our four years at Hirsch is near and there are only a few more months to enjoy the pleasures and experiences that make our high school days so memorable. We will never forget division in the auditorium, cheering the team on to beat Fenger, our civics classes, and most important of all, we will not forget each other.

Ahead of us lie many responsibilities, but our days here at Hirsch have provided us with the ability to meet these problems.

Joan Reichert, Secretary; Carol Prill, Vice-President; Robert Gordon, President; Rose Lidstrom, Social Chairman; John Snyder, Treasurer.

Mr. President speaks.

That friendly greeting — the Dads' Club trademark.

Mr. Charles May, our talented toastmaster, looks pleased about — what?

The elite meet to eat — the Football Banquet.

It's all Greek to Dad but it's Chemistry to Daughter.

Looking with pride at the fruits of education.

Hirsch's "Glamour Gals", our cheerleaders, turn on the charm for "Sam".

OUR DADS' CLUB

Now in its third year, our Dads' Club does a magnificent job in promoting harmony between the home and the school. Among the undertakings for which the club is famous the city over are the Athletic and Football Banquets in the Spring and Fall, and, for pure fun, the highly successful Barn Dance. To our loyal and spirited Dads, we say "Thanks" for all they've done. Through their constant efforts, they have put Hirsch "on the map" in athletics and have made their organization one of the foremost of its kind in Chicago.

Two groups of P. T. A. Members.

Energetic mothers give up their time to earn money for the P. T. A. activities.

Our Moms – We Love 'Em!

The smell of coffee in the halls is a good sign that "something's cookin' " in the Social Room. Whatever the discussion at the monthly meeting, one may be sure it is for the benefit of all here at Hirsch. With Mrs. Mattran, our capable and vivacious President, and her officers, the P. T. A. succeeds in bridging the gap between home and school.

THE "HEADS" OF HIRSCH

The most important part of Hirsch's Heritage is the Student Council. These students formulate school policies and promote many worthwhile projects such as the Thanksgiving collection, Christmas baskets for the poor, Armistice and Memorial Day assemblies, and last but not least, the semi-annual Club de Maroon dances. Through cooperation, the council develops leadership, service and character. Our sincere thanks go to Mrs. Jackson, the sponsor and mentor of our most important part of Hirsch's Heritage.

STUDENT COURT

Judgment Day Is
Monday at Hirsch

Have you ever been arrested for breaking a school law? If so, you have seen the Student Court, Hirsch's law enforcing body, in action. This organization, directed by Miss Florence Jeffers, operates an efficient judicial system including judges, clerks, lawyer, and bailiffs who perform much the same duties as those in the courts of our land. Lucky is the offender who goes unpunished by these preservers of law and order.

SAFETY ENGINEERS

Always "on their toes", the Safety Engineers perform their numerous and varied activities with efficiency and satisfaction.

Suggestions for safety at school, at home, and on the street are constantly brought before the student body by this group; bicycles and cars are registered in case of theft; care of school property is emphasized. Hirsch students realize that living in community life means sharing responsibility of one for another.

NATIONAL HONOR SOCIETY

The Best We Have To Offer

One of Hirsch's proudest organizations, the National Honor Society, is composed of Senior and Junior students who excel in Scholarship, Character, Leadership, and Service. Although the members have constantly worked towards high grades, they have also participated in the many school activities. Miss Mechtersheimer has, as their sponsor, stressed the necessity of developing their qualities of character, leadership, and service as well as maintaining their high scholastic standing.

The members of our band are a handsome sight this year in their new maroon and white uniforms purchased with the money raised at the Mayfair. But better yet, they play as well as they look! Our pep rallies, Christmas program, Spring Concert, and assemblies would indeed be dull without them.

With Mr. E. O'Hara as their conductor, Hirsch's Band certainly is an important contribution to "Our Heritage".

Carol Yates Heads Junior Red Cross

"Give to the Red Cross!" During March these words are seen and heard everywhere. This year, with the war in Korea, the Red Cross needs everyone's assistance in the form of dollars and cents to aid and comfort the boys who are fighting for the "inalienable rights" of all men.

Here at Hirsch the Red Cross drive is underway. The new president is Carol Yates, a 4A of Miss Mackin's division. Other officers are Georgia Lord, vice-president; Joan Hughes, secretary; and Patricia Oliver, treasurer.

Last year the sum collected was over \$300. Mr. Frederick Bell, sponsor of the group, is proud of that donation and hopes that this year the students will be even more generous.

Mel Dahl, Heads 3B Class Muriel Fink, Vice-President

The 3B elections were held on Friday, March 9, and the results showed ties for all offices except that of treasurer.

Mel Dahl of Mrs. Kohn's division was elected president of the 3B class in a runoff election held on March 12. Bob Salvino, also of Mrs. Kohn's division, and William Schalk, of Miss Hyman's, opposed Mel.

The newly elected vice-president is Muriel Fink of Miss Wilborg's division. Other candidates for the office were Donna Olson of Miss Hyman's division, Harriet Cohen of Mrs. Kohn's and Barbara Steinke, of Miss Hyman's division.

Secretarial duties for this semester will be in the able hands of Nancy Smith of Mrs. Perry's division. She was opposed by Gertrude Weiner, also of Mrs. Perry's division, Jean Benson, of Miss Hyman's, and Jacqueline Wooden, also of Miss Hyman's division.

The 3B choice for treasurer was Robert Jantz, of Miss Wilborg's division.

The other winners, Irene, won a banquet given by the Southside Auto Dealers at the Saddle Inn, where the prizes were awarded. The essay winners also were guests of the auto dealers at the auto show held at Navy Pier.

Irene, who entered Hirsch from Herkimer High School, New York, was the only student to win the contest.

The permanent were Janice Parker, the First Aid Squad, who are in charge of applying first aid to any injured person. This squad is headed by Larry Parker and his assistant Art Callahan, Edwin Carlson, and Gordon.

One of the Brave Beauties of the University of Illinois at the time was one of five girls in the section with a '51'.

Portrait

When you hear students talking about a small brown-eyed and stocky built senior from Mrs. Kane's division, you will know it is none other than Erwin Goldblum.

Erwin started his wrestling career in his sophomore year, and was second in city in 1949 for the 95 pound division. Most of his ardent followers expect a repeat this year, despite a shoulder injury that sidelined him last season.

Erwin, who so far has won 12 of 14 matches, believes that the Tilden match was his greatest thrill and his toughest contest.

His favorite pastime, besides being an all-around sports man is eating, especially pizza pie.

Being the president of the Letterman's Club and an active member of the Fire Guards keeps Goldblum quite busy in other school affairs.

After graduation from Hirsch, Erwin plans to attend Illinois, and follow his father's footsteps by studying to be a certified public accountant.

Sideline Klros Takes Second Hopkins, Michas Third

Well, the basketball and wrestling seasons are over, and Coach Lloyd Mahabett's baseball players are still limbering their arms.

On the mat scene, prospects look bright for next season, although Coach O'Brien loans such stars as Erwin Goldblum, Alan Hopkins, Bill Linde, and Nick Michas. A couple of freshmen to look for the next three years are Ray St. Aubin and Roger Troutman.

Hirsch's gridiron greets are getting their kinks out. Here is the news on that, thanks to Rick Wells.

Coach Bernie O'Brien expects to see the ball rolling for spring practice in about a week. The team will start off with indoor exercises, two weeks before spring vacation, finish with a two week game will be played sometime in April, climaxing it four weeks of hard work.

City Champs — Carlson, Gordon, Kimble and Rus

Hirsch claimed four city champions in individual City wrestling meet held March 6, 7, and 8 in Tilden's gym.

The Huskies gathering the coveted blue ribbons are Bob Gordon in the 112 pound class, Dan Kimble, champion in the 120 pound division, Ronald Carlson, victor in the 128 weight class, and Arnold Ruskin, who won out in the 135 pound class.

In addition to these, George Klros gained second place in the 175 pound class and Nick Michas and Alan Hopkins each took a third spot in the 127 and 145 pound divisions, respectively.

Bob, a repeat performer, having won the championship in the 103 pound class last year, came through the round class with a victory in the 112 pound class by racking up Rick Villalobos.

All-Star

Five members of the basketball squad were named as All-Star players by the coaches of the schools. These choices were in the Chicago Daily News.

Ken Briggs and Tom K. were graduated at mid-year. They were given honorable mention.

Jim Alfano, Gus Dickett, and Phillips, all seniors.

In the senior team was chosen on the first team and has been a senior and has been standing and giving a good example to the team were Howie and Rago.

Hirsch High Lose Hear

Tilden's Tita grapplers a bit of a day night, March 11.

Dick Englund, 95 pound grappler started the ball rolling with a victory over Tilden's Tita grapplers. Englund followed quickly in Englund's footsteps with two fast points in the first few seconds of his match.

Sam Bruckstein and Rick Carlson aided the Huskies by pinning the first few seconds of his match.

With the aid of these first six points in the first few seconds of his match, Hirsch led by a tally of 30 to 0.

Erwin Goldblum and Al Hopkins wrestled a decisive win.

Erwin Goldblum added three points to the Hirsch tally 42 to 0.

Wouldn't Caesar himself be surprised (and amused) to see toga wrapped characters presenting humorous skits, and singing Latin words to tunes from "South Pacific"?

It can never be said that Latin is a dead language after attending a meeting of this peppy club. They translate popular songs into Latin, have interesting discussions about the ancient Romans, and even sing the Hirsch Victory Song in Latin.

The moment the fire alarm rings, our fire guards are "on the job". Their duties are to check the school's fire fighting equipment, and also to keep order and clear the building during a drill. Nevertheless, without Miss Mackin's sponsorship, and the excellent cooperation of the students, the drills could not run so smoothly.

FOOTBALL TEAM

With the return of six letter men, a host of last year's reserves, and some good new material, Coach O'Brien, better known to most as "O. B.", set to work with a determination to turn out a team better than last year's. In the weeks which preceded the opening game, "O. B." sent his team through many hours of gruelling practice. With every practice the team looked better, and as the opening game with Argo grew near, the Maroon and White machine showed the results of "O. B.'s" ability to instill fight and determination into his boys.

Argo was the first to be knocked down. Although they were heralded as a good team, the Huskies came out the victors, 20 to 6.

Next to be tackled was Calumet. Without our two co-captains, Richard Bruno and Alex Nelson, we saw a tough game end in a knot, 7 up.

Out-classing South Shore by a defeat of seventeen points, we moved to the hardest game of all — Fenger. They proved to be strong even in bad weather. Our boys, in spite of poor weather conditions, however, played one of the best games of the year, only to lose by a small margin, 6 to 0.

Running over Harper, then Bowen, (in which most people think Richard Bruno played his best game), we ended our winnings for the year. The loss of the last two games was inconsequential if each boy learned good sportsmanship and the value of clean competition, which is the greatest gain of all.

Rich Bruno — lost for words

Another success for Hirsch was the seventh Annual Football Banquet held at the Morrison Hotel. WITH THE SPEED

OUR BASKETBALL TEAMS

With fighting hearts, a sense of fair play, and inspired coaching by Mr. Lloyd Mabbott, the "Cagers" scored again by finishing fourth in South Section. Although both teams had a good combination of offense and defense, "Lady Luck" often failed to give them those few "quick ones" necessary to win.

Besides making a good showing in regular competition, the Junior team made a bid for honors in the city tournament, and the Seniors put up a hard but losing battle against mighty McKinley in the Tech Tournament.

Graduation took some of the punch out of the boys when the Juniors lost two of their top scorers, Tom Kapsalis and Ken Briggs. The Seniors also suffered by the loss of Warren Walski, a first stringer, but both teams came through with an impressive record and a lot of experience toward a championship year next year.

Every member of both teams was a star in his own right, each contributing to the success of the team as a whole. However, Tom Derick of the Senior Team was especially outstanding and earned for himself a position on both the South Section and City Teams.

The Hirsch Mermen of both the Senior and Junior teams have made a valuable contribution to Our Heritage. Through the able guidance and coaching of Mr. Paterson, the team has brought honor to Hirsch's athletic department. Perhaps all meets were not won by the Mermen, but the fine spirit and sportsmanship were there.

In individual accomplishment, Al Gleghorn of the Senior Team, and Dick Debo of the Junior Team shared high honors. Al qualified as an alternate on the all-city team, while Dick placed third in the city competition.

The year 1951 has been one of the best years for the Hirsch Wrestling team, which has again secured honors for Hirsch by taking second place in the city. Many individual championships were won by our team members in their various classes; Bob Gordon, Dan Kimble, Ronald Carlson, and Arnold Ruskin took "firsts", while George Kliros took a "second", and Nick Michas and Alan Hopkins took "thirds". Their loss to Tilden, however, kept them from the city championship, but the team is looking forward to an even more successful season next year. Congratulations, Coach O'Brien!

The Weaker Sex?

Alert minds, teamwork, and physical fitness go into the makings of Hirsch's G. A. A. The girls join this association for the purpose of maintaining healthy minds as well as healthy bodies. While working and playing together, the girls learn the value of cooperation, good sportsmanship and fair play.

The officers and board members of the association, together with their sponsor, Mrs. Vera Bartlett, form the rules and regulations of the organization. Many parties and other social events are also planned throughout the semester for the enjoyment of everyone.

GIRLS' BASKETBALL

Only good sportsmanship goes with these girls. With Mrs. Bartlett as their sponsor, these gals meet every Wednesday after ninth period for a brisk game of basketball, thus contributing teamwork, mental alertness, and responsibility to Hirsch's Heritage.

AQUATIC ACES

Swimmin' Wimmen

These gorgeous gals not only look good in bathing suits but are excellent swimmers as well.

Under the capable sponsorship of Miss Helen Flaherty, the Aquatic Club gives performances for open house, have induction teas for new members and their mothers, and have splash parties for themselves. The Club is not only for enjoyment, for the girls actually gain aquatic prowess while performing to music and before audiences. Perfection is what they strive for, and perfection is what they have!

MRS. KULP
Sponsor

GIRLS' BOWLING

Under the sponsorship of Mrs. M. Kulp, the Girls' Bowling League meets each Tuesday and Thursday evening. The girls have formed several teams, each with a captain, and there is keen competition among them.

The highlight of the year is the annual Bowling Banquet which is held in the Skyroom of the Sherry Hotel, and at which is the presentation of awards to the high scorers. To prove that our girls are "on the ball", many were invited to compete in the Sixth Annual National Bowling Tournament on March 31.

CHEERLEADERS

the Light
behind the Might

Life at Hirsch would not be complete without our lovely and vivacious cheerleaders to raise the spirits of the team and student body. Under the sponsorship of Mrs. Roth, these "darlings of Hirsch" faithfully pep up the crowd and make our football games, athletic events, pep rallies, and that unforgettable night of the Football Banquet something to be remembered.

THE CHEERING SECTION

The cheering section made its debut this year among shouts and cheers that prove these spirited girls are out to back the cheerleaders and team. We hope they will be as enthusiastic and cooperative next year, as they have been in this, their opening season.
